Wholesale Catalog

July 2023

A red line-art illustration of a flower and its leaves, rendered in a sketchy, hand-drawn style. The flower is the central focus, with several petals and a visible stamen. The leaves are long and narrow, with some showing detailed vein patterns. The overall composition is elegant and artistic.

Hello!

I'm Tara Wright, owner and artist behind the work and products you'll find in this catalog. I'm particularly excited about this collection of work, because it represents a happy risk and a new season of business: my first foray into wholesale after many years. This catalog features a curation of old and new designs, including my personal and customer favorites.

Art making is one way I reconnect with my purpose, potential, and dignity, and it's my desire to spark that same connection in others through beautiful art, meaningful products, and creative experiences. Present in many of my designs is a feminine touch of whimsical beauty. Vibrant and cheerful, my art often invokes warmth, delight, and joy.

Thank you for taking a look at my line. I hope you love what you see!

Custom Collections & Collaborations

I'd love to create or curate a custom collection of original artworks for your shop.

As a fine artist, I love to create original works of art, both small and large. I typically work in watercolor or fluid acrylics, and I have experience with a variety of media including pencil & ink drawings, oil, block printing, and oil pastel.

Do you have a theme, color palette, or favorite flower you'd like me to explore? Let's brainstorm together to create a collection of original works at a pricepoint, size, and style that suits your clientele.

Email me at hello@TaraWrightStudio.com to get started.

Visit TaraWrightStudio.com to see current and previous collections of original works.
